

San Bernardino County Meeting 10-10-17

Those Present: (no sign up)

Record book recommendations and decisions were made in regards to the age categories. We will have Junior (9-10) Intermediate (11-13) and Senior (14-19). The age will remain as of the member's birthday as of December 31st.

There will be an outstanding Junior, Intermediate, and Senior.

Star ranking VERIFICATION will need a representative from each club

Discussed how event such as food fiesta, achievement night, field day etc go out as stand alone information.

Leadership day went well except that half of the 91 registered people showed up. HDC had lunch purchased and there was a lot left over. We need to charge a fee to make folks more serious about attending and to cover costs.

The same thing happened when Emily had a record book training.

We will have the record book training in the big room, Stephanie will reserve the room for us.

Cluster awards will be small animal, large animal, home arts, social science, (including citizenship and leadership), stem (including outdoor adventure).

Star rank verification will be Tuesday July 2nd. The club leader or a rep will bring books for that process. If unable to attend, the leader can send a designee, or sign a form designating the county leader's group to verify the star ranks.
