There was a meeting to find out who might be interested in Cal or WA focus 2019.

TSC - there was discussion about the focus, and goals, after TSC commented that there were children running around. The kids need to be supervised and act like they are well behaved. They must be 4-H members, primaries need to be supervised really well. A leader must be present and one other adult, or leader. At the Barstow store, Hinkley will do a petting zoo. All adults and youth must remember we are representing 4-H as an organization, not individual clubs. Amber has a sign up, more than one club can work, please behave civilly.

Stephanie is updating a flyer for printing.

4-H camp June 17-23. \$275 earlybird fee.

Jr Fair Board is expanding Farmer for a Day. It has a designated area now. They would like to have an area for presentations for the general public. Kami suggested asking clubs to give demos or ?? to the public. Hoping for an area near there to give away flyers Kami will get more information about the space. Anyone will be able to come and work. Clubs can come and talk about 4-H.

Kami talked about the club books.
