**Welcome to our UCCE Master Gardeners of
San Bernardino County Monthly Newsletter**

Happy July/August 2022!

We invite you to join us for in [person events](#) or register for [free online](#) Zoom classes.

Learn about the new "Trees for Tomorrow Start Today" Master Gardener Application in [Janet's Jotting's](#) blog.

Read in [Coordinator's Corner](#) about vegetable gardening during a drought.

Read about "Growing School Gardens" Summit in [Debbie's Diary](#).

Get to know how Emy Shibukawa, who is also a Master Gardener and Master Food Preservers in our [Master Gardener Spotlight](#).

Learn how to manage aphids in your garden in [What's Bugging Your Garden](#).

Where To Find Us This Month Online & In-Person Events

Please take all Covid-19 precautions. If you feel ill and/or currently exhibit any symptoms, please stay home for safety of others.

San Bernardino County Master Gardeners offer lots of classes in person and online each month around the county on a wide variety of topics. Check out this month's calendar to see where we are in person or online if you want to join us from the comfort of home.

- August 6th, 8 to 9am [Highland Community Garden: Fruit Tree Pruning workshop](#)
- August 8th, 4 to 5pm [August in your Garden\(online\)](#)

- August 14th, 11 to 1pm [Ask a Master Gardener time- Plus three short presentations- open to all county climates \(online\)](#)
- August 18th, 5 to 6pm [Seed Saver Series: Saving Seeds from your Summer Fruits and Veggies \(online\)](#)
- August 20th, 8:30 to 9:30am [Chino Community Garden: Pollinator Gardens](#)
- August 20th, 9 to 10:30am [Rialto Community Garden: Gardening Workshop](#)
- August 29th 3:30 to 4:30pm [Edible Gardens: Melons and Squash \(online\)](#)

You can also find a complete list and description of classes on our [Calendar](#) of events.

What's Bugging Your Garden?

The University of California [Integrated Pest Management \(IPM\)](#) program has a great website for controlling garden pest problems with the least impact on people and their surroundings. Whether it's fungal, insect or vertebrate pest, you can find some answers.

This month we are highlighting [aphids](#), a common summer garden pest. Learn how to stop these pests from ruining your fruits and veggies!

UCCE MG Helpline

We can help with your growing and pest control questions.

Who We Are

[UCCE Master Gardeners](#) are trained volunteers who provide unbiased research based information to the gardening public. Areas of expertise include drought-resistant sustainable landscapes and food production in home, community and school gardens. Master Gardeners reach over 35,000 San Bernardino County residents annually. Other UCCE programs in San Bernardino County are the [Master Food Preserver Program](#), [Youth/4-H](#), [Expanded Food and Nutrition Education \(EFNEP\)](#), commercial horticulture, livestock and natural resources. Learn more about our programs here: <http://cesanbernardino.ucanr.edu>
