News Letter and County Council Contest

Who reads the newsletters? Did you know this is a great way to get word out about your project or event? How about looking at the newsletter for upcoming events?

Hidden in this newsletter is the word “presentation” the first person who finds this word and shares where the word appeared with the county council president *before* the start of the next county council meeting will win a \$10 gift card to Hobby Lobby.

In an effort to allow more people a chance to win editors of the newsletter request that you speak to the council president prior to the beginning of the meeting, and that each member or leader can only win once per 4-H calendar year.

The winners for the 2012-2013 calendar year have been:

September- Debbie Hilak of Monte Vista Diamonds

November- Nikki Wilson of High Desert Challengers

January- Halli Aller of Monte Vista Diamonds

March County Council Meeting

The next county council meeting is scheduled for January 12, 2013 at 7:00 pm. Plan to attend the meeting and hear all that is happening within our county and state 4-H program.

Having trouble getting to the County Council Meetings?

San Bernardino County 4-H will be testing a pilot project of broadcasting the January County Council meeting presentation online.

This is an exciting option for meeting attendance which if successful the county may continue. If you would like to participate in the meeting online click on the following link and join in <http://www.anymeeting.com/sbcfourhcouncil1>

The meeting begins promptly at 7:00p.m, and we can see when someone accesses the site. Hope to see you either online or at the meeting.

Newsletter Submissions

If you have an event coming up or would like to share what your club is up to then please submit your article to Cheryl Eggleston at caeggleston@ucdavis.edu by the 15th of each month and you will see it appear in the following month.

Sharing what is going on in your club or project in the newsletter is a great way to get more people interested and support your project.
