Who We Are

[UCCE Master Gardeners](#) are trained volunteers who provide unbiased research based information to the public. Areas of expertise include drought-resistant sustainable landscapes and food production in home, community and school gardens. UCCE programs also include the [Master Food Preservers Program](#). Our San Bernardino County Master Gardeners reach over 30,000 residents annually.

News

MG Training Class: The next Master Gardener training class will be held on Tuesday evenings from 6:00 - 9:00 p.m. October 1, 2019 through February 18, 2019 in Redlands.

Requirements: Graduates are required to volunteer a minimum of 50 hours by June 30, 2021 by educating the public on various gardening and landscape topics and promoting community activity.

Hybrid Course Option: High desert and mountain residents have the option of completing the course online supplemented with two 1/2 day Saturday training sessions in the local area.

Applicants must pay \$175 class fee (includes textbook and all class materials) and pass a background check.. If interested in finding out more, please contact our Master Gardener Helpline at mgsanbern@ucanr.edu.
